

Month 3 – Promises - English Paper Pieced block by Reene Witchard

This month we are offering the block in two sizes: 6" and 12"

The Promises block is slightly fiddly to piece but with a little bit of patience it goes together very quickly. There are some step-by-step photographs on our blog if you need some help.

As you can see from this multi-block mock-up it creates a pretty secondary pattern too.

We'd love to see your version #nelliesnicetiesmysterybom
