

Month 6 – Fiesta – English Paper Pieced block designed by Reene Witchard

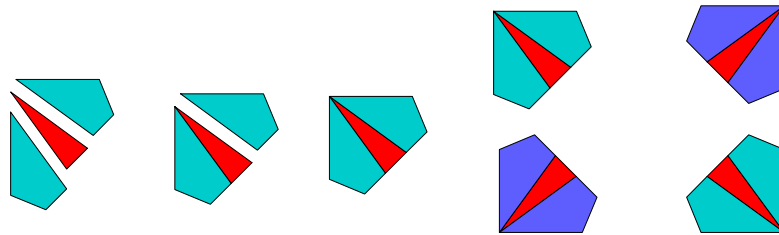

This month's block is a 6" EPP block. It's a little fiddly but if you take it slowly the fiddly bits are worth it. I recommend that you baste your pieces as below then piece the block in sections 1 – 4 to make things as easy as possible.

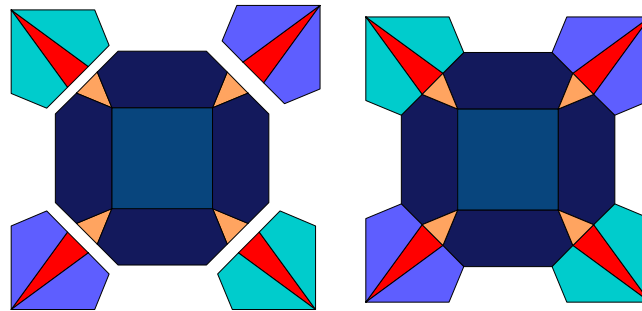

Section 1

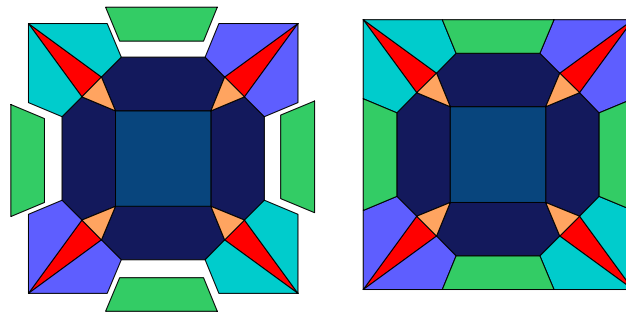

Section 2

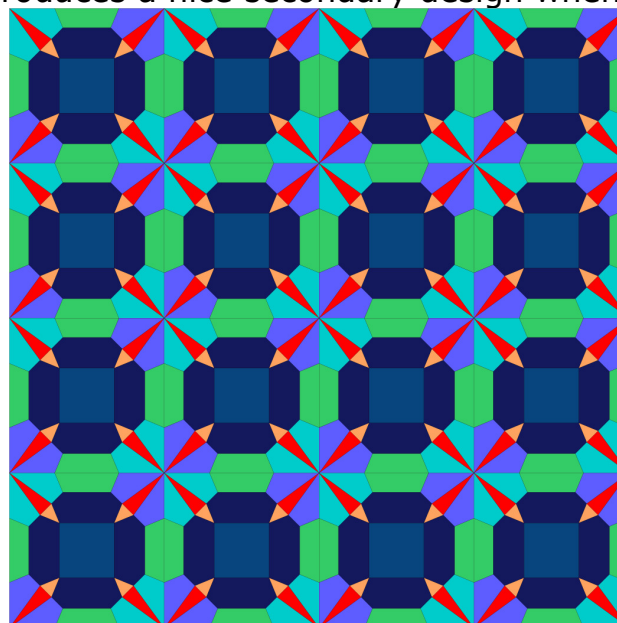

Section 3

Section 4

As usual the block produces a nice secondary design when used in multiples.

We'd love to see your version of the block if you try it out. You can use the hashtags #nelliesnicetiesmysterybom #fiestablock and #nelliesniceties on social media, add a picture to our Flickr group "Nellie's Niceties Made Me Do It" or email us at info@nelliesniceties.com
